MOON CONTAINER LINES PVT LTD

Crafted for your business & happiness.

ABOUT US

Moon Container Lines has been a trusted & reliable partner in the International Freight Forwarding industry since its inception. We have been known to give you peace of mind & happiness knowing that your valuable shipments will get to their destinations on time and in good condition. Using Moon Container Lines allows our customers & partners to focus on other aspects of their job rather than worrying about logistics issues.

What makes Moon Container Lines unique is:
Our wealth of in-house expertise has made us the freight forwarder businesses trust to deliver your shipments faster, safer and more efficiently across land, sea and air. So however complex your cargo, project, or challenge, we'll make it seem surprisingly simple.

We are crafted to care & deliver the promises that the 21st-century business requires. As our customer, you are the most important part of our business, whether you speak with us for the first or the hundredth time.

We provide world-wide port-to-port and door-to-door services based on our customer's requirements to any location. We work with an extensive network of partners with a dedicated team to provide fast and efficient logistic solutions

We provide a total logistics solutions at a single-window for our customers, the process includes; rate enquiries, sailing schedules, transportation, customs clearance, cargo tracking, documentation, warehousing, packing, fumigation, insurance, invoicing and various other services our customers requires.

Our mission at Moon Container Lines is to ensure the sustainable provision of safe, reliable, friendly, and efficient logistics services for the benefit of our valuable customers.

You have a huge choice of freight forwarders in the market place, and we recognise that. So we at Moon Container Lines know and understand that we have to offer something really special. Put simply, our customers keep coming back because we continue to provide them with outstanding support in all aspects of their international freight forwarding.

AIR FREIGHT SERVICES

International Air cargo is heavily regulated. As such, many opt for a freight forwarder who works exclusively with air shipments.

Moon Container Lines can help you navigate through all key freight documents, insurance, customs, air freight logistics, and any turbulence you encounter along the way.

We also ensure that your goods are packed to fit the non-traditional shape of an aircraft and effectively optimize the space you pay for.

- General cargo consolidation
- Express / time sensitive, Temperature control cargoes
- We regularly handle from heavy industrial items-light domestic equipment
- Service to all major international destinations
- Packaging suitable for Air-Freight is an important issue – we can offer solutions
